Hey Bill - thanks. I'll book the meeting for 1130-1230. I'd feel much more comfortable if we could please have any and all further conversation about this topic exclusively by phone. Please let's not send any more email communications about it.

Got your voicemail. I'm in the Atlanta airport getting ready to board a plane. On October 22, I'm meeting with Amy from 10-11 am on the next Focused Deterrence Violence Intervention call in but should be free after that.

Just let me know when and where.

In terms of timing, I really thank it would be best to arrange to give Bill Dries (or whoever) the story on Monday, October 29, then issue the media release generally the next day. My reasoning is that I think we owe it to the board to let them get the staffing update first and possibly tell them that the donors to the effort are now agreeable to being identified and that we will be doing that in the near future. (I'd hate for some of the donor reps. on the board to be blindsided by something in the media the day of the board meeting.)
